Her outgoing, refreshing personality means you'll usually find Clair spending time with others, and that's why she runs our Tuesday Women's Support Group here at Evergreen. **JOSUE P.**  
Chef

Josue comes to us from our own Los Angeles area. His favorite part of working here at Evergreen are all of our lovely people, both residents and staff. He thinks they make up the best part of Evergreen. And our residents appreciate that Josue is always willing to make time for them and treats them with respect. In his spare time, he likes to box for fun and eat the Peruvian dish shrimp ceviche, popular to the beaches areas of Mexico where his parents are from.
