## EMPLOYEE OF THE MONTH SHAY G. Server

Shay is an amazing employee and one of her favorites things to do here is put smiles on our resident faces! We hear nothing but amazing things about her from the residents. Outside of working here, she makes and sells her clothes. She is also looking into becoming a brow artist. She loves to eat king crab legs and go on hike. One of her favorite memories is when she first got her dog in New York and it started traveling with her. We thank Shay for being such a hard worker, and we definitely appreciate her!
