## Resident Spotlight

*Keith Shirley*

Keith is a wonderful new addition to our Evergreen family. Originally from Indiana, he moved to California several years ago and has enjoyed building a life and career here. His passion for music began early in his career, when he played bass and spent time making music.

Over the years, Keith transitioned from performing and creating music to helping other musicians with their own work. His love of music has continued to be an important part of his life. Keith is always smiling and brings a kind, friendly, and interesting personality wherever he goes. He is a pleasure to get to know, and we are so happy to welcome him to our Evergreen family!

## Employee of the Month

*Joan Caldera*

She treats every resident with kindness, patience, and respect, always taking the time to listen and offer help whenever needed. Her caring attitude creates a warm and welcoming environment, making residents feel valued, comfortable, and cared for.
